BRIVA HAUS®

TASTE IT YOUR WAY

**HEALTHY
FRYING FULL
OF FLAVOR**

FEATURES

- Modern air fryer with extra-large basket and 8-liter capacity, including duplex divider – also suitable for large portions like a whole fried chicken and up to 1.8 kg of French fries.
- Even Power Convection – even heat distribution throughout the cooking chamber
- Rapid HeatControl – ready to use immediately, no preheating needed
- Temperature adjustable from 50°C to 200°C (40–70°C for the dehydration program)
- Direct selection from 10 automatic programs for fish, vegetables, pastries, and more

AIR FRYER DIGITAL 8L

- Healthy, low-fat preparation of all types of foods – juicy on the inside, crispy on the outside
- Modern design with intuitive touchscreen sensor controls
- Safe removal of food thanks to the cool-touch handle and non-slip feet
- Timer adjustable from 1 to 60 minutes with an audible signal when Time is up (1–480 minutes for the dehydration program)
- Easy cleaning thanks to removable frying basket (and dishwasher-safe accessories)
- With this device, you can effortlessly prepare your favorite dishes and enjoy healthier meals
